- **Lee County 4-H Request to join Livestock Ambassadors**
  - Unanimously decided to allow Lee County 4-H member to join the coalition
  - Miss Mellanie will reach out to the individual
- **Programming Updates:**
  - Livestock 101 & 201 Series
    - Things ambassadors can help with:
      - Introduce speaker
      - Monitor chatbox
      - Have everyone sign in
    - Suggest we record all of the sessions
    - At sessions, keep track of what you like or don’t like
    - Would like to send out survey after session:
      - On a scale of 1 to 10, how would you rate this session?
      - What was something new that you learned?
      - Were there any other topics that you would like for us to cover?
      - What did you like about the presentation?
      - What could be improved?
  - Livestock Judging: Thinking we might not want to take this on this year
  - Educational Tour:
    - Concerns about finding a place that would allow us to tour in person, if we can’t go in-person not sure if we want to take this on
    - Want to think about this a little more; maybe think about a guest speaker, career, or industry we want to learn more about
    - Touch base about this at our October meeting

- Community service activities
  - Would like to pitch in to the Council service activity – making masks and donating them to the school districts
- Leadership Opportunities & Training needs for Livestock Ambassadors
  - Attending and participating in Livestock 101 trainings
  - Think about this and touch base on it at the October Meeting
- Lost Pines Winter Classic Showmanship Clinic/Show
  - Thinking this is feasible (Le Grange was able to do this)
    - Anyone who came had their temperature checked and signed a waiver
    - Received a wristband that they had temperature checked and were able to be there
    - Social distancing and wearing a mask (wore mask in the ring, as well)
  - Would like to plan for the event; tentatively plan for Saturday, December 5<sup>th</sup>, 12<sup>th</sup> or 19<sup>th</sup>?
    - Thinking everyone gets tired after the BALSFA validation morning
    - Disadvantages: people would have to bring their animals back to the barns
    - Will need to potentially limit registration
  - Species: touch base on these in October
    - Beef
    - Lamb/goat
    - Swine
    - Rabbit?
- **Dates & Times for Future Meetings**
  - Meetings at 6:00 PM on 3<sup>rd</sup> Tuesday of each month:
    - **October 20, 2020**
    - November 24, 2020 (adjusted so it is not on top of swine validation night)
    - December 15, 2020
    - January 19, 2021
    - April 20, 2021
